

# MATERIAL SAFETY DATA SHEET

---

Control of Substances Hazardous to Health 2002 (COSHH) & International Standard ISO 11014-1

---

## Section 1 Product and Company Identification

---

**Kemmetech open and closed cell vinyl foam sheet.**

Produced in a range of densities, thickness and colour.

Kemmetech Limited, Unit 4 Arnold Business Park, Branbridges Road, East Peckham, Kent  
TN12 5HE. Tel: +44 (0)1622 872724; Fax: +44 (0)1622 871993

---

## Section 2 Composition/Information on Ingredients

---

Composed of a fully fused vinyl resin and plasticiser matrix.

---

## Section 3 Hazards Identification

---

None

---

## Section 4 First Aid Measures & Medical Information

---

None required

---

## Section 5 Fire-fighting Measures

---

Flammability: Self-extinguishing

Extinguishing: Carbon dioxide, dry chemicals or foam

Special Fire-fighting Measures: Use chemical mask

---

## Section 6 Accidental Release Measures

---

Not applicable

---

## Section 7 Handling & Storage

---

Wash hands after handling.

Practice good personal hygiene, wash hands before eating or drinking.

Store in a clean, dry warehouse.

Rolls should not be dropped and should be stored in an upright position.

Do not expose material to excessive heat, above 50C and/or humidity levels exceeding 80%.

---

## Section 8 Exposure Controls/Personal Protection

---

None required.

---

## Section 9 Physical & Chemical Properties

---

Fully flexible sheeting supplied in various widths and roll lengths.

---

---

**Section 10 Stability & Reactivity**

---

Inherently stable, soluble in certain solvents

---

**Section 11 Toxicological Properties**

---

No known hazards

---

**Section 12 Ecological Information**

---

No known hazards  
Vinyl sheets are non degradable and will persist in the environment.  
They are insoluble in water and not attacked by most inorganic acids and bases.

---

**Section 13 Disposal Considerations**

---

Waste Disposal: Not classified. Should be disposed in registered landfill sites in accordance with Local Authority regulations

---

**Section 14 Transport Information**

---

Not classed as dangerous for transport by Carriage of dangerous goods by road and rail regulations 1994

---

**Section 15 Regulatory Information**

---

Classification: Not Classified

---

**Section 16 Other Information**

---

None

---

**Section 17 Revision Dates**

---

Date of Issue: January 1999  
Revised date: March 2009  
Replacing: All previous Material Safety Data Sheets

The information and recommendations on this sheet relate to the specific materials designated and may not be valid for material used in combination with any other materials or in any process. The information is given in good faith and is believed to be accurate at the time of preparation. Nothing hereon is to be construed as a guarantee express or implied, in all cases it is the responsibility of the user to determine the applicability of this information or the suitability of the products for their own particular purposes.
