

# MATERIAL SAFETY DATA SHEET

Control of Substances Hazardous to Health 2002 (COSHH) & International Standard ISO 11014-1

## Section 1 Product and Company Identification

Kemmetech KB3 & KB5 products are noise barrier reinforced vinyl sheeting, naturally dark grey, but may be coloured for grade identification purposes.

Kemmetech Limited, Unit 4 Arnold Business Park, Branbridges Road, East Peckham, Kent TN12 5HE. Tel: +44 (0)1622 872724; Fax: +44 (0)1622 871993

## Section 2 Composition/Information on Ingredients

Composed of high density mineral filler, encapsulated in a vinyl resin and plasticiser matrix. May be supplied optionally with an aluminium foil backing.

## Section 3 Hazards Identification

None.

## Section 4 First Aid Measures & Medical Information

None required.

## Section 5 Fire-fighting Measures

Flammability: Self-extinguishing

Extinguishing: Carbon dioxide, dry chemicals or foam

Special Fire-fighting Measures: Use chemical mask

## Section 6 Accidental Release Measures

Not applicable.

## Section 7 Handling & Storage

Wash hands after handling.

Practice good personal hygiene, wash hands before eating or drinking.

Store in a clean, dry warehouse.

Rolls should not be dropped and should not be stored in an upright position.

## Section 8 Exposure Controls/Personal Protection

None required.

## Section 9 Physical & Chemical Properties

Fully flexible sheeting supplied in various widths and roll lengths.

## Section 10 Stability & Reactivity

Inherently stable, soluble in certain solvents.

## Section 11 Toxicological Properties

No known hazards.

## Section 12 Ecological Information

No known hazards. Vinyl sheets are non degradable and will persist in the environment. They are insoluble in water and not attacked by most inorganic acids and bases.
